

Power

SAE 20W50 API SF

Power SAE 20W50 API SF is high performance engine oil designed to use in gasoline automotive engines of passenger cars, commercial vehicles and farm equipments. This oil is formulated from high quality base oil with advanced additives package to provide excellent performance required for modern combust engines. It can also be used in diesel engines of commercial vehicles. By meeting the API performance level it satisfies most demanding requirement of modern engines.

BENEFITS

- Minimizes fuel and oil consumption
- Resists oxidation and foaming
- Protects engines from wear and corrosion
- Ensures long drain intervals.
